

Release metadata - review copy

Records: 7; inventory entries: 6; held rows: 5; issues: 8.

Matching: unique-basename; column: Filename.

Supplied metadata and filename inventory only. Not embedded metadata, sound quality, rights, UCS correctness, ZIP contents or marketplace acceptance.

All source columns are reproduced per record below. This document includes unresolved records; it is not a release approval. Review private fields before sharing.

Issue 1: duplicate_metadata_key

Multiple metadata records have the same selected filename value.

Records: 1, 5; inventory entries: none.

Issue 2: ambiguous_file_match

More than one inventory entry can match this row. Use an unambiguous relative path.

Records: 3; inventory entries: 3, 4.

Issue 3: metadata_without_file

No file in the supplied inventory matches this metadata record.

Records: 4; inventory entries: none.

Issue 4: blank_filename

The selected filename field is blank.

Records: 6; inventory entries: none.

Issue 5: multiple_rows_for_file

More than one metadata record resolves to this file.

Records: 1, 5; inventory entries: 1.

Issue 6: file_without_metadata

No metadata row exactly references this inventory entry in the selected mode.

Records: none; inventory entries: 6.

Issue 7: inventory_identity_hold

The matched inventory entry has identity issues; review it before release.

Records: 1; inventory entries: none.

Issue 8: inventory_identity_hold

The matched inventory entry has identity issues; review it before release.

Records: 5; inventory entries: none.

Record 1 | HOLD | source line 2

Matched path: doors/front.wav

Issues: duplicate_metadata_key, multiple_rows_for_file, inventory_identity_hold

Filename: doors/front.wav

Description: Front door closes, then a quiet latch.

Library: Synthetic Workshop

RecordID: 00017

CustomNote: =SUM(1,2)

Record 2 | MATCHED | source line 3

Matched path: rooms/café.wav

Issues: none

Filename: rooms/café.wav

Description: Room tone with café hum.

Second description line stays with this record.

Library: Synthetic Workshop

RecordID: 00018

CustomNote: <script>alert("literal")</script>

Record 3 | HOLD | source line 5

Matched path: unresolved

Issues: ambiguous_file_match

Filename: shared.wav

Description: Two subfolders use this basename; do not silently choose one.

Library: Synthetic Workshop

RecordID: 00019

CustomNote: AUDIO CONTENT NOT PROVIDED

Record 4 | HOLD | source line 6

Matched path: unresolved

Issues: metadata_without_file

Filename: missing.wav

Description: This row has no corresponding selected file.

Library: Synthetic Workshop

RecordID: 00020

CustomNote: Review missing file

Record 5 | HOLD | source line 7

Matched path: doors/front.wav

Issues: duplicate_metadata_key, multiple_rows_for_file, inventory_identity_hold

Filename: doors/front.wav

Description: A second metadata row for the same file is an unresolved duplicate.

Library: Synthetic Workshop

RecordID: 00021

CustomNote: Keep both source rows

Record 6 | HOLD | source line 8

Matched path: unresolved

Issues: blank_filename

Filename:

Description: A meaningful record with a blank filename remains visible.

Library: Synthetic Workshop

RecordID: 00022

CustomNote: Do not drop

Record 7 | MATCHED | source line 9

Matched path: long.wav

Issues: none

Filename: long.wav

[illegible]

Library: Synthetic Workshop

RecordID: 00023

CustomNote: End marker: LONG-DESCRIPTION-COMPLETE

Inventory accounting

1. doors/front.wav | review | multiple_rows_for_file
2. rooms/café.wav | matched | no identity issue recorded
3. a/shared.wav | review | ambiguous_file_match
4. b/shared.wav | review | ambiguous_file_match
5. long.wav | matched | no identity issue recorded
6. unlisted.wav | review | file without metadata
